Who can Apply

All dental students are eligible for membership. Membership is valuable for ALL students, whether you are starting your first year of school or preparing for the transition from graduation to a dental practice.

Advocacy. Education. Leadership since 1945

What is IDA

Indian Dental Association (IDA) is an authoritative, independent and recognized voice of dental professionals.

What IDA does

Leads India to optimal oral health via the following initiatives
National Oral Health Programme (NOHP) promotes oral health of the nation.

Tobacco Intervention Initiative (TII) advice for tobacco cessation via NRT for behaviour modification.

Oral Cancer Foundation (OCF) strives for a 'cancer-free India' via a broad alliance of key influencers and policy makers.

Child Dental Foundation (CDF) aims to inculcate good oral habits by diet counselling & correct oral care habits.

Emergency Dental Centres (EDC) provides prompt emergency oral health care 24x7.

National Oral Cancer Registry (NOCR) an online registry to collect data on oral cancer, tumours and pre-cancerous lesions.

Indian Dental Research Foundation (IDRF) provides scientific information and resources to enhance learning.

Healing Smiles Foundation (HSF) helps children and adults with cleft lip, cleft palate, and craniofacial anomalies.

IDA Member Health Centres provides free medical check-up to our member dentists for assessment of basic health parameters.

What's Your Plan? CAREERS & LISTINGS

How do you plan to practice after graduation? Will you become an associate, go into public health or have your own solo private practice?
